Materials

Before we dive into the enchanting world of crochet, let's gather the essential ingredients that will bring your baby vest to life:

- **Crochet hook:** Select a crochet hook that corresponds to the weight of your chosen yarn. This will ensure that your stitches are evenly sized and the fabric has a beautiful drape.
- **Scissors:** Keep a sharp pair of scissors handy for cutting yarn and shaping your vest.
- **Measuring tape:** Use a measuring tape to ensure that your vest fits your baby perfectly and to keep track of your progress as you crochet.
- **Tapestry needle:** This needle will help you weave in any loose ends, leaving your vest with a polished and professional finish.
