Print length : 208 pages

The volume is divided into three parts. The first part follows Soma and his friends as they gather ingredients for the competition. The second part features the cooking competition itself. The third part follows Soma and his friends as they return home and reflect on their experiences.

The first part of the volume is full of adventure. Soma and his friends travel through forests, mountains, and rivers to find the best ingredients. They encounter wild animals, dangerous terrain, and even other chefs who are competing in the same competition.

The second part of the volume is full of excitement. The cooking competition is intense, and Soma and his friends must use all of their skills to win. The dishes that they create are amazing, and the judges are impressed by their creativity and skill.

The third part of the volume is full of reflection. Soma and his friends return home and think about what they have learned during their journey. They realize that cooking is more than just about winning competitions. It is about bringing people together and making them happy.

Food Wars! Shokugeki no Soma Vol. Endless Wilderness is a great addition to the series. It is full of adventure, excitement, and reflection. It is a must-read for fans of the series, and it is sure to please anyone who loves food and cooking.
