

Grandfather's Gift: The Horus Heresy Primarchs

The Horus Heresy was the greatest civil war in the history of the Imperium of Man. It began in the late 30th millennium, when the Warmaster Horus Lupercal, the most trusted of the Emperor's sons, turned against his father and led a rebellion of Space Marines against the Imperium. Horus was joined by many of his fellow Primarchs, the genetically-engineered leaders of the Space Marines, and together they fought a bloody war against the loyalist forces of the Imperium.
