Big girls are made of strength and courage. They are made of resilience and determination. They are made of love and compassion. They are made of dreams and aspirations.

Big girls are not afraid to stand up for what they believe in. They are not afraid to speak their minds. They are not afraid to be themselves.

Big girls are leaders. They are role models. They are icons. They are heroines.

Big girls are survivors. They are thrivers. They are overcomers.

Big girls are made of something special. They are made of the stuff that dreams are made of.

So what are big girls made of? They are made of everything that is good and strong and beautiful in the world.

Big girls are the future. They are the ones who will change the world. They are the ones who will make a difference.

So let's celebrate big girls. Let's empower them. Let's inspire them.

And let's never forget that we are all big girls in our own way.

Poems About Big Girls

Here are a few poems about big girls that capture their strength, beauty, and resilience:

"Ode to a Big Girl" by Maya Angelou

A big girl is a woman who has come into her own. She knows who she is and what she wants out of life. She is strong, confident, and independent. She is not afraid to stand up for herself or others. She is a role model for young girls and an inspiration to all who know her.

"Big Girls Don't Cry" by Carole King

Big girls don't cry, they fight for what they believe in. They don't let anyone tell them what to do or how to live their lives. They are strong and independent, and they are not afraid to stand up for themselves. They are the future, and they are the ones who will make a difference in the world.

"I Am a Big Girl" by Shel Silverstein

I am a big girl now, I can do anything I want to. I can ride my bike, I can tie my shoes, I can even brush my own teeth.

I am a big girl now, I can make my own decisions. I can choose what to wear, I can choose what to eat, I can even choose what to watch on TV.

I am a big girl now, I can take care of myself. I can get dressed, I can brush my hair, I can even make my own bed.

I am a big girl now, And I am proud of it.
